RCI Corner

It is very important that when you are banking your weeks with RCI, you remember that owners are allowed to bank 2 years in advance. This means that owners are banking up to today's date in 2017. If you wait until 2017 to bank your week, you possibly could risk losing your week depending on how late in the year you are doing this. If you call in September of 2017 to bank a red week for that year, there are only two possible weeks we could bank (Christmas and New Years). Chances are good those weeks are already banked with RCI and owners have made reservations to come to the resort. We might have had weeks in June and July but RCI also requires that the week must be at least 90 days from the check-in date. Please remember to bank as far out as you can. If you still want to bank your 2015 week with RCI, call the vacation office today to avoid losing the week.

Banking with RCI or Interval International requires that you call Fox Hills and get assigned a unit and week based on the season you own and what we have available. If you do not do this step your unit that you try to deposit will be rejected. **YOU CAN NOT DEPOSIT THE UNIT AND WEEK YOU OWN.** Please call the vacation office at 920-755-3634 Mon-Fri 8am-4pm.
